

# DRIVE NEW SALES with PLANT-BASED SAUSAGE SANDWICH PATTIES

**34% of consumers are interested in plant-based sausage on menus.\***

Give your consumers the plant-based breakfast they crave with new Worthington XL Sausage Patties. The sandwich-sized patties are 100% plant-based and the perfect, hearty addition to your morning menu. Serve as a breakfast sandwich on a biscuit, bagel, English muffin or croissant, as a side, on a platter or crumble into an omelet.
