34% of consumers are interested in plant-based sausage on menus.* Give your consumers the plant-based breakfast they crave with new **Worthington® XL Sausage Patties**. The sandwich-sized patties are 100% plant-based and the perfect, hearty addition to your morning menu. Serve as a breakfast sandwich on a biscuit, bagel, English muffin or croissant, as a side, on a platter or crumble into an omelet.

“PLANT-POWERED” warm & savory sausage patties deliver on bold taste and sandwich size

Fully cooked, ideal for fast food breakfast **“On-The-Go”**

All inclusive from **“meat-reducers”** to vegans
